

GOVERNOR GLENN AND THE MASONS

The Chief Executive of North Carolina Has Been Made Junior Warden.

TWO PARDONS ARE GRANTED

And Six Others Are Refused. Charter Issued—Good Crop Weather.

(Special from a Staff Correspondent.)
RALEIGH, N. C., June 27.—Governor Glenn and State Auditor B. P. Dixon went to Wake Forest this morning, where they will be the principal speakers at a joint session of the Wake Forest, the Youngville and the Raleigh Masonic lodges, for the purpose of installing officers of the three lodges. Governor Glenn was last night himself installed junior warden of the Raleigh Lodge, No. 500, and made the speech presenting a past master's jewel in the name of Raleigh Lodge to O. D. Green, retiring master. It looks now like there is to be a sort of crusade against disorderly houses in Raleigh, brought about by the sensational revelations made in connection with the shooting of John C. Dockery by Police Officer Rogers Saturday last evening. Mayor Johnson had twenty or more back drivers summoned before him, and questioned them as to whether they had carried men or couples to certain houses, including that of the Mays woman, in whose house Dockery and Bernard are charged with having carried the Rogers and the Howell girls. The hearing was behind closed doors, but it is understood that very little evidence was gotten from the drivers.

Pardons Granted.

Governor Glenn announces the granting of pardons to Ephraim Hensley, who is serving two years' sentence for aiding in a murder, and John McNeill, serving five years for larceny in Richmond county. The man Hensley is seventy years old, and the evidence was that he merely said before his son killed a man and fled that "no one could impose on his son." This was construed by the court and the jury as aiding in the murder. The Governor declines pardons to six other convicts serving sentences.

Publish the Hustler.

A charter was issued this morning for the Hustler Publishing Company, of North Wilkesboro. The authorized capital is \$50,000, and the principal incorporators are J. T. Robertson, J. Clinton Smoot, J. R. Finley and others. The company will publish the North Wilkesboro Hustler, of which T. J. Robertson is the editor. The weekly paper, published since 1885, is now owned by the company. The past week was very favorable for farm work and for growth of crops—just right for cotton, which, though small, is improving rapidly.

Drought continues in several of the central-western counties, notably Caswell, Anson, Scotland, Forsythe, Guilford and as far west as Gaston, Rutherford, Mecklenburg, Cabarrus and Yadkin. Tobacco has grown well in the east, where topping has begun, but is somewhat small and late in the central-west, where transplanting was delayed.

(Special to The Times-Dispatch.)
WASHINGTON, D. C., June 27.—Patents issued: Arthur Scrivenor, Richmond, for a machine for making paper; Laurence H. Tucker and H. A. Marshall, Berkeley, combined step ladder and ironing board.

(By Associated Press.)
ELBA, PITTSYLVANIA COUNTY, VA., June 27.—Two Pittsylvanians, Mr. Major Barber and Miss Maggie Haden, eloped to Pelham and were married Sunday. Hon. T. Freeman Epps, of Blackstone, is here, visiting his wife's parents, Rev. and Mrs. J. R. Sturgis. Mrs. Epps has been here with her parents since March. Her very many friends in different parts of the State will be glad to learn that she is convalescing steadily and surely, and is almost back to perfect health again.

NEW YORK, June 27.—Figures of the amounts of money given by the city to municipal and State charitable institutions and by the chief philanthropic organizations for similar purposes show that fully twenty million dollars are given annually for the care and relief of the poor. Besides these are many private gifts which cannot be estimated.

Crazed By Terror.

STAMFORD, CONN., June 27.—Crazed by terror, Herbert Birdsall fled from the sight of his dead companion, Edward Rush, Jr., yesterday afternoon, holding in his hand a revolver, the accidental discharge of which had caused Rush's mortal wound. Half a mile away Birdsall threw himself upon the grass under an oak tree, held the revolver to his head and killed himself.

GREENWICH, CONN., June 27.—Miss Edna Maine West, daughter of Mr. and Mrs. Charles G. West, and Dr. John Rogers, of Housatonic, last evening, Mayor Johnson had twenty or more back drivers summoned before him, and questioned them as to whether they had carried men or couples to certain houses, including that of the Mays woman, in whose house Dockery and Bernard are charged with having carried the Rogers and the Howell girls. The hearing was behind closed doors, but it is understood that very little evidence was gotten from the drivers.

Forbidden to Remarry.

WHITE PLAINS, N. Y., June 27.—Justice Keogh yesterday filed his final decree in the divorce case of David Parsons Morgan from his wife, Mrs. David Morgan, a rich New York club man. The decree is very stringent, and sets forth that neither Mr. nor Mrs. Morgan can marry again while either party is alive, and to Mrs. Morgan is given absolute control of the four children, Helen, Edith, Percy and John E. Morgan. Mr. Morgan is not ordered to contribute toward the support of his wife or children.

War of Gowns at Newport.

NEWPORT, June 27.—All Newport is awaiting the inauguration of the most magnificent gown contest the social world has ever known. It will be participated in by Mrs. John Jacob Astor, Mrs. Perry Belmont, Mrs. Philip Lydig and Mrs. Ogden Mills.

One of these four conceived the idea of having her summer wardrobe eclipse anything ever before seen here. She engaged an exclusive Parisian maier and gave him carte blanche. Unfortunately, her maid whispered the intended coup to the maid of another of the social leaders. No one has yet seen

Mr. Thomas Ogden, Wealthy English Tobacco Man,
Principal in Lenox Romance—Sends Wireless Messages To Fiancee.

(Special to The Times-Dispatch.)
LENOX, MASS., June 27.—"Yes, it's true, I am engaged to Mr. Thomas Ogden, of Liverpool," said Miss Florence De Vere Boese last night, at the Hotel Aspinwall, "and we expect to be married early next winter. I met him only ten days before we became engaged, but he is a very fine English gentleman, thirty-nine years old, a noted business man and much interested in the Church of England. Mr. Ogden is now on his way to Europe, and I have been receiving wireless messages from him. He sent me one to-day, one thousand miles out at sea."

In testimony of her brief but delightful romance, Miss Boese is wearing a magnificent two diamond and opal engagement ring. Miss Boese is the daughter of Mrs. Oryette Boese, of West Ninety-third Street, New York. She is a soprano singer of note. For three years she was soloist in Madison Square Presbyterian Church, and has taught music for several years. She and her mother came up to the Aspinwall when the hotel opened, May 21st, this being her third season here.

Miss Boese's brother, Mr. Clifford Boese, is a lawyer, and another brother, Mr. Edwin Boese, is a manufacturer, both of New York. They sent congratulations to their sister to-day. Their father, who died ten years ago, was a New York artist. Mrs. Boese and her daughter will leave Lenox on Saturday for Beach Bluff, Mass. Miss Boese is of the average height with light hair and blue eyes. She is about twenty-eight years old, and is an entertaining conversationalist.

Raised Price of Paper.

MILWAUKEE, WIS., June 27.—All the newspaper publishers of Milwaukee have been cited to appear in the hearing of the case of the Federal Government against the General Paper Company. L. T. Boyd, representing the Milwaukee Journal, yesterday told of the differences in prices now and before the organization of the General Paper Company. He testified that in 1898, the last year in which the Journal made a contract for paper prior to the organization of the paper company, the price was \$1.70 per one hundred pounds, and that now the price was \$2.25.

Cure for Spotted Fever.

NEWARK, N. J., June 27.—Raphael Lichtman, of No. 31 Garfield Street, was discharged from the City Hospital Sunday afternoon as cured, after being ill five weeks with cerebro-spinal meningitis. The surgeons at the hospital believe that the hot bath treatment and the drawing away of pus from the spinal column as fast as it formed were the determining factors of the cure.

PHILADELPHIA, PA., June 27.—With a party of government astronomers aboard, the cruiser Dixie left the League Island Navy Yard yesterday destined for Algeria. The cruiser will go direct to Gibraltar, thence to Algiers, and finally to Bona, where the party will disembark.

It is probable that Mr. Ingraham will be arrested on charges preferred by indignant citizens.

Cinder in His Eye.

TRENTON, N. J., June 27.—A cinder in the eye of Governor Stokes yesterday caused considerable delay in matters of State. The Governor was returning to Trenton after spending Sunday with his mother at Millville, when the cinder was sent in his eye. Travis, who when a boy of sixteen ran away from his home in Brooklyn to ship on a New Bedford whaler bound for the south seas, has returned to his old home a grizzled patriarch of seventy years. There is \$35,000 in the custody of the Treasurer of this State, where it has been for ten years, awaiting the result of a search for Travis or proof of his death. Travis was found in Dunedin, New Zealand.

FATHER OVERTOOK ELOPERS

(Special to The Times-Dispatch.)
ELBA, PITTSYLVANIA COUNTY, VA., June 27.—Two Sundays ago, Mr. John R. Saunders and Miss Sallie A. Ballous were to have been married at the church of the bride by her pastor after the morning service. Sickness or some other preventing cause kept the pastor away from church that day to the disappointment of his congregation and the greater disappointment of the couple to be married. But, as the arrangements were made for marrying that day, and as love finds ever a way out of difficulties like these, the plucky couple, with their friends, left the church at 12:30 and drove dinnerless for seventeen miles away to Whitlie, where they were married at Payneon Church at 3:30 by Rev. J. R. Sturgis. As for such trifles as driving in hot day, and fasting from breakfast until nightfall, the brave young souls seemed indifferent.

FATHER OVERTOOK THEM.

Mr. George Bosch and a charming young neighbor, Miss Mattie Lee Richards, loved each other and wished to wed, but the youthfulness of the girl was a barrier, she being but fifteen years of age. Finally concluding that they could not wait, and that it would be useless to seek parental consent, they decided to elope to Pelham.

The Dynamo of the American People

We are a race of workers.
Work requires brain, nerve, energy.
We glory in achievement.
To work and work with might and main, good food is absolutely essential.

Although nearly every one eats soda crackers sometime, yet there are a few people who do not consider their true value as an article of daily food. But it is now a recognized and established fact that the soda cracker contains the most tissue, fat and muscle forming elements of any article of food made from flour.

Great as is the value of the common soda cracker, yet it is small in comparison to **Uneeda Biscuit**—the most wonderful soda cracker ever baked, and of which nearly 400,000,000 packages have been sold.

Uneeda Biscuit, the food of power, transmitting as they do the elements so vital to our well-being, may in very truth be called "The Dynamo of the American People."

Young Man Missing.

BLUEFIELD, W. VA., June 27.—Harland Reynolds, eldest son of Attorney A. W. Reynolds, of Princeton, this county, is missing, having left his home last Saturday morning alone for a day's hunt, and since that time no trace of him has been found.

The young man's father had been to Cincinnati on a business trip, returning in the afternoon of last Saturday, and as the boy failed to return home when night came on, great uneasiness came upon the family.

The supposition is that the young man has met with an accident, and hundreds of people are scouring the woods in every direction, but no trace of him has yet been found.
